

See a doctor anytime

with telemedicine from MDLIVE®

Skip the waiting room when your doctor isn't available. Telemedicine from MDLIVE is a fast, convenient virtual care option.

With telemedicine from MDLIVE, you have 24/7 access to a board-certified doctor for non-emergency medical conditions, such as:

- Colds and flu
- Asthma
- Pink eye
- Ear infections
- Sinus problems
- Vomiting and nausea

Telemedicine is a quick and easy option to talk to a doctor by phone or video chat. MDLIVE also provides pediatric telemedicine services for non-emergency conditions.

If you have a copay, it will display when you schedule a visit.

Don't wait until you're sick! Register for MDLIVE today. There are several ways to activate your account.
