

Discover More About Your Weight History With a TrueWeight® Report

In less than 10 minutes, you'll get a free, personalized report. Documenting weight history allows you and your healthcare provider to reflect on your personal lifestyle needs.

Start my TrueWeight® Report now! 

How it works: Answer a few questions about your weight history and weight-loss goals. Your TrueWeight® Report will help you learn about

Key life events

Current weight-loss efforts

Weight-related health conditions

Tips for talking to a healthcare provider

You can choose to print, download, or email your TrueWeight® Report. Be sure to bring it to your next visit with your healthcare provider. Together, you can talk about treatment options and make an action plan to work toward your goals.

Your privacy is important! You are not required to provide any contact information to receive a TrueWeight® Report.

Take a true step forward in managing your long-term health and weight.
